

Christmas is celebrated around the world with many different traditions, different special foods, and even on different dates! But what is important is to remember that it's all about \_\_\_\_\_!

But there are still many countries where it is dangerous for Christians to celebrate, or where the people have never even heard about Jesus! In fact, even in the USA there are many children who may celebrate Christmas but have never heard the Christmas story - so let's all talk about the REAL Christmas story with everyone we can!

See if you can match these Christmas customs with the correct country:

South Africa

Iceland

India

Ukraine

Brazil

Venezuela

Nigeria
